

You're invited to participate in this year's Bristol 4th of July Parade and friends & family can come too !!!

The Department of Rhode Island will again be marching in the parade.

Here's the plan:

Arrive early and park at the parking that's reserved for participants (Take Chestnut Street off of 136 - Metacom Ave - and proceed the parking areas around Mt Hope High School. The road will be closed off, but tell them you are with the VFW and that you're in the parade)

After parking, it's about a mile to walk to the VFW Post, on the parade route, at 850 Hope Street. Your family and friends can watch the parade there. The Post does a great job of selling food and drink all day.

Try to be at the Parade assembly area at 9 AM

At the conclusion of the parade return to the VFW Post. Rest , relax and stick around to avoid the departing traffic.
