

Resource Fair

The Department of RI VFW and VFW Auxiliary showcases organizations offering social services to Active Duty and Reserve, Veterans and Their Families. By putting an array of resources all in one place, every Rhode Islander can visit us on June 1st to explore all of the vast resources available to address any questions, concerns, issues or needs. In addition, the RI National Guard will provide an update on the #RIHomeTeam's role based on the Mission and the Federal VA will participate in a panel discussion on the latest Veteran concerns/issues.
